“ *I had the privilege of working alongside Bill and Mrs. Beck while living in Nashville, TN from 1996 until my family moved to Georgia in 2006. I have so many fond memories of him and am so saddened by his recent passing. He was "Family" to me in every sense of the word. His laugh is etched in my memory and that of my sons who loved to hear him laugh. I watched firsthand his love for his family and those he worked with/around daily. Throughout those years I had a chance to see him both in the good and not so good days, but he handled them well in my opinion. He will always be a great part of my Nashville days and my heart, love and prayers are forever with Pam and Meredith for the days and years ahead without his presence! My thoughts and love are also with Mrs. Beck, Perkie and Robert.*

I will remember him as a man who was fair, positive, pleasant, had the best laugh, positive, a friend, and most importantly he cared about people and his community people. I am blessed to have known him. We don't know the number of seasons we have with the people that come into our lives, but one thing for sure, we know that they were for all the best reasons. He will be remembered and dearly missed. Praying for comfort and strength for his family during this difficult time.

“ *What a great guy. Bill an his lovely wife Pam have meant so much to me over the years. I couldn't encounter him without him mentioning "a basket of tomatoes"!! Pam knows exactly what that means. Love you Pam. You and the family are in our prayers. Mike and Jennifer Agee*

“Glen and I met Bill and Pam and their family when we lived in Madison and attended Inglewood Baptist Church. Bill had such an infectious laugh and was always so positive and down to earth. He was truly a servant for the Lord and to his friends and community. Although we moved from Nashville to Florida 15 years ago, we have remained friends in communication on social media. Over the years we have wished each other happy anniversaries, birthdays, daughters' weddings, and his great accomplishment as a Tennessee State Representative. I am saddened by the sudden loss. I will greatly miss him and his friendship. I pray for Pam and Meredith in their great loss. I know he would have been over the moon by his future granddaughter to be born. I also want to send my deepest sympathy to his mother Martha Lu and his brother and sister. May you each find strength and comfort in the days and weeks ahead. May God bless and strengthen you as you deal with this loss.

Pam and Meredith I am still in shock over Bill's sudden death. I spoke to him for quite a while on Memorial Day recognition at Litton High School. He was always just happy and smiling self. We talked about how excited he was to become a new Grandfather. Prayers for all his family especially his mother. She is a wonderful Christian lady. Bill will not be forgotten.

Love always Deborah and Rachel Hall.

“ *May each of you find comfort and peace in knowing the many lives Representative Beck touched serving our great state. Representative Beck has been a friend to the Sheriffs of Tennessee, and for that we are truly thankful. His kind and cheerful demeanor made it easy for us to discuss matters protecting the citizens of TN. Each of you are in our thoughts and prayers during this most difficult time.*
