“ *You were a pivotal influence in my life you changed me in ways I thought not possible. You know who we were and our hearts. I did not know you were in so much pain. I'm sorry this is where I'm writing this. Not much choice I'm not really being allowed to mourn you with others that loved you. I know we hadn't seen much of each other the past few years. You knew what you needed to, rest easy my friend. You are never forgotten my dear*
