Cathy Joy Phillips, age 37, passed away November 24, 2021. She was born in Winfield, Illinois and resided in Nashville, TN, she lived in Medway, MA and Potomac, MD in her adolescent years. Cathy graduated high school from Winston Churchill High in Potomac, MD and received her Bachelor's Degree from Bentley University in Massachusetts. Cathy was the glue that held people together, she loved dancing and hosting parties, she knew all the new restaurants and made it a point to visit them frequently and was an adventurous eater. She was well travelled and made frequent trips to France and Cambodia to see her family; she spoke several languages very well including French. “ *My heart goes out to Doug, Everly and anyone who was fortunate enough to be touched by Cathy. There is no perfect way to describe who she was or what she meant to me. She was a beautiful dancer, the most incredible "surrogate daughter" and the sweetest friend I could ever ask for. This loss is sitting so heavy on my heart. She will be missed so much but I owe her everything for bringing so many incredible experiences into my life. She was truly one of a kind and there is no one who can replace her. I miss you so much my friend and I will treasure the memories we have made for the rest of my life.*

Love you lots Cathy and sending Doug & Everly all the love in the world...
