“ *My Brother, You were a man that wore many hats a husband, father, brother, veteran, friend and most important a Brother in Christ. You were always willing to lend a helping hand. Laughter illuminated from you. Such a proud Veteran that loved his Country. You came into this world crying , but you left it smiling. It's truly been an honor to know you and to call you brother and a friend. Thank you Cedric for being you ❤️*

“ Cedric you were a true friend. We shared turkeys and you shared your amazing life with us as freely as you could. You were funny and kind and never judgemental of any of us. I truly value the time we did get to spend with you and I pray everyday that you and ariel are hanging out waiting for the rest of us to catch up to the other side. See you soon friend. You are greatly loved.
