“ I am so sorry for the loss of your dear loved one. There is a very comforting scripture found at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can look forward to a time when death will be done away with forever. I hope that this scripture can bring some comfort during this time.

“ To the Greer family I send my condolences. Your father was one of my best friends, before he had his stroke we used to talk everyday! I will never forget all the knowledge he has thought me. We had some good times showing roosters in Louisiana. He used to tell me he wanted to come to Hawaii one day and visit us, I told him he was always welcomed. Please use the lei's I sent and put one around your father, at least a little part of Hawaii will be there with him. May god bless your family. To my buddy Charles rest in love my friend. Until we meet again.. Love Marciel and family...

“Teresa and family, There simply are no words to ease the pain that is ripping through your souls, so I leave you with this. "As you go through this day, know that I am gently protecting you. I am as near to you as your breath, as close to you as your heartbeat. I can see the fragile state of your emotions. I know how close to the surface your tender feelings are. I am aware that the wick of your spirit's inner light is flickering in the winds of your dilemma. But you are my child, and I am on your side today. I will hold you in my love until you are strong again. Do not be troubled or afraid. Do not strive in your own strength, but lean into my love. Be strengthened by my spirit. Find comfort in my mercy. Your shield and defender, God" Know that I love you and am here for you as much as I can be. Losing one you love is so very difficult. Lean on me; we are sisters of different parents.
