“ I will miss Charlotte. I always called her Charlotte II, since she was a great friend to my Aunt Charlotte (Stamm).

When we brought my Aunt Charlotte back to Indy to care for her, Charlotte II would send a card every couple of months saying that she loved us.

I went in the hospital two days before she passed. I am still recovering. I missed her cards. But have saved all of them and reread them.

I will greatly miss her.

We will pray for Holly and the rest of the family.

This hurts. I loved her. So did my sister Denise.

I know both Charlottes are in Heaven laughing over great memories.
