

Christopher Quinan

January 2, 1980 - December 7, 2020

Christopher was a young man who died suddenly and unexpectedly. He was full of life, lived for the moment and had an infinite imagination. He had a great love and compassion for animals and would defend or rescue any creature he felt was in need.

Chris loved exploring the Western Cascade mountains, working with his hands and filled others lives with his outgoing friendliness, compassion, great sense of humor and laughter - his laughter was incredibly infectious.

One of the proudest and most important moments in Chris' life was becoming a member of the United States Marine Corps. He fulfilled that dream and gained some great friendships that continue to this day.

You live on in my heart and will be dearly missed 'little son'.

Special Thanks:

In lieu of flowers, Chris' Marine Unit - Alpha Battery 1/10, are donating to the local food bank in the Sky Valley, West Cascade Mts in WA State, where numerous families are in desperate need of food during this tumultuous time in our country. I can't thank these Marines enough for their thoughtfulness & generosity in memory of their fellow Marine.
