

## Cindy Lou Morris

March 23, 1946 - April 8, 2023

Cindy Lou Morris, age 77, of Nashville, Tennessee, passed away April 8, 2023 at her residence.

As a toddler in 1948 Cindy was the belle of the construction site next door to her home. Always happy and friendly, she delighted the workers. She was struck in the head by a flying timber, leaving her disabled, the first of many challenges life would throw her way.

Through it all she remained a champion of strangers in need. She would feed the hungry, welcome the stranger, care for the sick, and visit the imprisoned.

Cindy is survived by her sister, Suesan Taylor, and her children, Peggy Sue Knight and Donald Samek.

She will be laid to rest at Mt. Juliet Memorial Gardens.
