“ Clara, so beautiful in every way. She was my mentor at work when I joined her team in what seems like eons ago. She was my neighbor. My friend. She doted on her husband, her precious daughter and her brothers. She always talked about how wonderful they are. Her beautiful spirit was contagious. I will miss her terribly but take solace in the fact she is not in pain anymore. My prayers go out to her family and others who were blessed enough to know this beautiful and selfless person. I will never forget her.
