“ *Our deepest sympathy to you and your family, during the loss of your father, grandfather, friend. May God give you strength during this time to take the hand of the Saviour, and walk with him and let him guide you to make preparations to see him again. Cherish the memories, and all the bad and good times you shared together. He was a good person. Just remember it is not Good-by, it is I will see you later.*

Cheryl Shearon
