“ Dana, Cris, and other family members...we are so sorry about the loss of your precious grandmother. Although we had only know Nanny for 6 years, it was years filled with precious memories we will hold in our hearts. She was one of the most selfless people we had ever met and the epitome of the bible's description of the virtuous woman. Galations 5:22 perfectly describes her gifts. We feel so honored to have known such a precious woman for these past few years. She became a dear, dear friend whom we deeply loved and respected. We are so thankful our paths crossed and for the impact she made on our lives. Our prayers are with you all as you adjust to life without Nanny. Just remember she is now with Carol where she wanted so much to be. Also. we're sure Brother Doyle Smith and Mrs. Margaret were waiting to greet her at heaven's door!
