“ *Sending all my love & prayers of strength to you all! My heart is deeply broken as I feel as though I lost my brother rather than my cousin as our families all lived together in the same house!, Both of our mothers were expecting our arrival's close together,, the yr. was 1956, I made my entrance September 4th & Clifton (Buzzy) arrived October 24th, I can only imagine the excitement in the house with two new sets of parent's with two excited grandparent's we called Nanny & papa!. Buzzy & I were inseparable all throughout our childhood yrs! Buzzy, you will forever remain in my heart until we are reunied again in our Heavenly Fathers house surrounded by all of our loved one's whom were awaiting our arrival! Rest In Pease, Buz!*
