“ To the Gray Family: We are sorry to hear about the passing of Clyde Odell Gray. Our thoughts and prayers are with the family during this time of great sadness. We truly share your pain. We understand what you are going through since all have lost someone in death. We must continue to place our trust in this wonderful promise from God where He assures all that our love ones will stand up in life again. (John 5:28-29) From this one scripture, God is giving us His personal guarantee that Clyde will be reunited back with his many family members and friends. This promise is documented in the Bible. Our Creator wants all to have strong confidences in all promises of His. So He has preserved nine accounts in the Bible that speaks about this future arrangement. Here is just one such example that all can draw comfort from. It is recorded at John 11:38-44. May we use this time to encourage all to all this text to comfort you during your grieving period. But may it also build up our faith in this future blessing from God. So keep this promise near your heart at all times. Remember that when God makes a promise, it always becomes a reality. For God does not lie.(Titus 1:2)
