“ *To the family;
I'm sorry I missed the service but just now heard about his passing.
I worked with Metro for 35 years before retiring and the last 12
years with Corry off and on. He knew if he needed a search warrant
to come to me and judge Robinson.
I have never known a person like him, he would never pass you in
the hall or on the street without speaking and saying hello.
What a loss, this is, I will pray for your family.
May you Rest In Peace my brother, you will be greatly missed by all.*

“ I was fortunate to work directly with Corey for about a year, and my life is better because of him. He regarded you (Carey and the girls) so highly, and it makes me smile (not as big as Corey's) that he will live on in you all. He blessed and impacted so many, and that realization will not be fully known on this side of heaven. Thank you for sharing him, and may God bless you and your family, Carey. You all are in my prayers.

“ I am sorry I was not able to make the service. I worked with Corey on the original East midnight crew back in the 90's and have always respected and enjoyed his friendship over the last 25 years!!! Incredible person. We will see him again soon!
