Dana Nicole Smith, Age 44 of Hendersonville, TN passed away on Dec. 5, 2021.

Dana was a beautiful woman, Mother, daughter, and sister. Those that she left behind were her 3 children, Chris Smith Maddie Mays Abigail Nicole Schuhholz.

If you ever met her you know there was an incredible light in her eyes, with a beautiful spirit.

Dana's Journey had come to an end, at least here on earth, it has.

Dana knew God, and I know she is ok. Dana Cole.

You will be missed every day.

“ *The other day I had a memory a strong memory of me and you and your brother. It made me cry and laugh at same time. We were driving down the road and you and I were in the front seat and Tracy in the back. And we were acting silly and cutting up to the point that he was literally crying and laughing. Rest in peace my darling I love you more everyday and will never get over losing you. Mom*

*I miss you so much already and I missed you before you even left us. You were one of the best friends I ever had although we both laughed about how rocky we started out. You were loyal and a true friend always. Thank you for the impact you had on me and so many others. I don't believe you really knew what an amazing person you really were. Your legacy will always continue in the hearts of those you touched and I will always honor your memory to the absolute best of my ability. I'm grateful for the friendship you forged with myself and your mother. Because of you I will always have another forever friend. I miss you so much and this has been so difficult it I have peace in my heart knowing you are holding Blaze once again and your you are at peace. Until we meet again...xoxo P.s. because of you I know"I can do hard things" thank you*

*My Sweet Dana Cole. I've heard it said, that if God brings it to you, then he will help you through it. I'm depending on that.*
