“ Rae’s and all the people there, Daniel, Fred and Kim were family to us all. Beer cheese soup and brownies that were unheard of, but the love and kindness in the faces of these friends was the best part of being at Raes. You guys watched me grow up from a 23 year old kid until 30!. When I worked downtown at Bone McAllister, for Phil and also at TNDP, Raes was a multi-weekly affair and Daniel, Fred and Kim always wanted to know the latest and greatest in the saga of my life. I am so sad to hear this news. You all are in our thoughts and prayers. 🤔❤️🙏 Sending so much love and gratitude for your friendship over these last 2 decades!

“ *Dear Kim and family,*

We loved Daniel so. He always made my day. I will never forget when I called to ask him to cater my wedding reception. He was so excited and did such an incredible job (as always!) with the food. Know that all of you are in our thoughts and prayers.
