“ *Hey old man, I know you are probably tired of all the questions and advice I have been seeking for the past ten years but I wanted to say thanks because I hear your answers. I hope that I resemble the man you wanted me to be. There is not a part of my life that you have not shaped. I would work to my dying breath just hear some more of the Bo wisdom. Tonight's Miller light is a salute to you. Love you buddy!*

“ *7 years later and i finally have the courage to do this. Pa, i loved you with all my heart. You were the best role model a little girl could ask for. Ive never been able to bring myself to let go. So, i wont. Im simply saying, thank you. For everything you did for me. For all the love you gave me. You were the greatest. I miss you every single day and cant wait till i get to see you again. Thank you for supporting me. I love you Pa.*

“ Vicki, Matt, Jon, wives and all those blessed grandchildren. Although your hearts must be breaking, God loved your daddy the way Bo loved all of you and He'll keep him well and happy for you until the time you can all be together again. It's a very special thing to have had a husband and father like yours and I know Bo went to be with the Lord rejoicing and proud of who he left to follow after him.
