“ *i didnt get to know Darla very well, but what i did get to see was she was a beautifully bright shiny light in her family's life and she was loved dearly. looking back i wish that i had done more to be apart of her world. even though i only knew her for a short while, i will honestly miss her, and i am truely sorry for all those that were apart of her world, you lost a very beautiful soul*

“ I was blessed to have Darla as my niece through marriage. She was a bright, beautiful light inside and out that brought so much happiness! Her smile, sense of humor, perspectives on life, all that made her the most precious gift she was and always will be are humbly appreciated as the gift from God that she is.

“ She always had the best Easter and thanksgiving get togethers. She opened her home and heart to everyone. I'm so lucky she looked at me like a sister. You are so missed, but never forgotten
