“ Our older sister darleen, was quite a person. She married Ron Kennedy and had two wonderful boys. She loved her grandchildren and always talked of them. We remember her baton twirling at football games in high school. She was president of the Methodist youth group and had parties in our basement in New Street. Our mom had a hard time with her going to college in Glassboro. We really enjoyed her and their boys visiting us in Utah, where we saw the grand Canyon, and saw other great sites. She went canoeing with aunt Larree and uncle Frank in North Carolina where they tipped over and got all wet . While visiting in Utah she enjoy our corn and went out to get some from the garden and got stuck in the mud. We had many phone calls and memories. We are very proud of her, we will miss her. Heavenly father will find a special place for her. Until we meet again.

“ Our dear Darleen was loved and will never be forgotten. She was a wonderful sister to her brothers and sisters and sister in law. Her kindness was something that was needed specially when her nephew Danny was diagnosed with brain cancer and he needed blood donations. She made sure to donate her blood. She was also the reason Danny was born in a hospital since she was the one who drove me to the hospital the day of his birth because her brother Dan was on his way back from a business trip. She loved her family and now we have an angel looking out for us in heaven. She will be missed dearly. Love to Ron, Ronnie, Maura, Tommy, Amanda and her beautiful three grandchildren. Our prayers are working all of you on your loss. Love Dan, Tarcila and family

“Cousin Darleen, you will be greatly missed but fondly remembered. My favorite memories of you, Ron, and your boys were at the lake house! The boat rides that I was glad to take you on and the fun in general at the lake, were always the best. The trip in my parents station-wagon to NC and the snow/ice storm and truck convoy on the way home was scary but also so much fun! We were the only car that made it through. We had it weighted down with Aunts, Grandparents and Cousins and more. Lots of jokes in that car to keep it fun and to keep us rolling. My prayers go out to your family and friends, and to all who knew you, especially Ron, Ron Jr., and Tom God Bless.

*It's been many years since I last saw cousin Darlene, but I have the greatest memories of time spent together! ! Lake visits, weddings, family parties, bridal showers, and a family reunion in NC! She had a great sense of humor! She always made me laugh when telling a story. She always had a funny story to share. She will be missed! Love and hugs to Ron, Ron jr., and Tom! May the many memories of your mom help you through the challenging days ahead.
