

## Dave Weller

January 15, 1944 - February 17, 2022

My dad Dave Weller was born on January 15, 1944 in Toledo Ohio. His parents were Vincent and Catherine Weller. There were five children in his family, 2 sisters (Diane & Connie) and 2 brothers (Kenny & Jerry).

My dad was married to my mom Mary (now an Angel in heaven), and had their first daughter together ...which is me ..Melanie. I have 4 kids(Chris, Kaitlynn, Alyson, and Ryan) whom every chance he got would always come out every year or we would go to visit my dad so we could all visit and he could spend time with his beloved grandkids. I also have a brother named John that my dad raised since he was 9 years old. My brother has two kids (Becka & Nick) and a granddaughter (From Becka)(currently expecting again) whom my dad loved very much. My dad then met and married Marty his wife of 35 years. Marty had a daughter (Dana) and 2 sons (David & John) and grandkids whom my dad loved very much as his own. My dad moved a few years ago to live with his companion, Pat Harris, in Tennessee.

My dad moved to California in the mid 60s after graduating in DeVilbiss H.S. in 1962 and becoming an electrician which then started working for General Motors as an electrician from late 1960s until late 1980's when the plant closed down.

My dad became a huge part of the Chino Valley Chamber of Commerce when he moved to Chino Hills with Marty. He was elected to the board of directors in 1992 and then to the executive board in 1994. He became the president of the chamber in 1996 through 1997. Dave and Marty went on to open a small

printing business in Chino that they had together for many years. My dad helped out many people and was very involved in political fundraising events for cities, counties and state offices which many of them still hold to this day. I am very proud of my dad for all the things that he has accomplished and all the contributions that he has made in his lifetime. My dad's favorite hobbies were boating, fishing, golf and most of all traveling the USA in his motorhome! He loved boating and being on the water, like father like daughter lol.

We love you so much dad
