“ I don't even know where to start, so many memories from elementary school daycare on up through the years. I'd like to tell mrs Stephanie and the rest of the family how truly sorry I am and I will keep you in my prayers. From riding four wheelers to running around in a half million other cars and trucks, hunting, fishing, and just being kids we had great times I can honestly say I had a awesome friendship with Michael and we always had the best times. I'm going to miss you my ole friend I'm glad to know the last time we spoke you had found Jesus and his mercy so even though my heart hurts my mind knows you are ok love you brother!
