“ *I will always remember David as a person that was always in a good mood. Regardless of the situation, he could always find a way to laugh about our predicament. And as young men, we did sometimes find ourselves in precarious situations. but David was always cool headed and never got excited. A good man to have in a tough situation. I will always remember with fondness our many fishing trips to Kentucky lake and Center Hill. We both shared the same birthday and I could always count on him calling on November 12. Rest in peace old friend!*

“ Growing up with David Blankenship was great. As long as I've
known him, he was always smiling. And David was so talented in so
many areas, especially music. I went to the Grand Ole Opry for the
first time and heard Marty Robbins, and thought, "Man, this guy is
good. He sounds a lot like David Blankenship. Bet he can't play the
trumpet like David."

“ I am so sorry to hear of David's untimely and unexpected death. I
have only seen him once or twice since high school, but my
memories of him are as a good and kind person. May his family,
friends, and co-workers all feel the love and comfort of Jesus
wrapping His arms around them during this difficult time.
