“ We are so sorry to hear about the loss of David. The whole family was so special to the Poston family when we first moved to America in 1980, and we have always been grateful for the kindness and friendship you showed us during that time.

I remember David as a true patriarch of the family, always positive, fun, loving, and such a joy to be around. I know it will be hard to think of him without smiling. I will never forget how all five of the Clayton kids lovingly called him “Deda” reflected the warmth and closeness of the Clayton Family.

You all, including David were instrumental and helping us acclimate to a new country and you were always there for us. Those memories are something that I will treasure and we will always hold David and all of you close to our hearts.

I can remember going out with Davette and David and selling Shriners papers-such simple times. That meant so much that he was so dedicated to the Shriners and all they represented.

I hope he is up in heaven having a toast with my mom and dad. I know they are all looking down on us smiling.

David will be greatly missed, but his kindness laughter and the love that he shared will never be forgotten with deepest sympathy and love,

Wendy Poston Shotwell and David.
