“ I am sad to learn of David's passing. He was always a kind and loving person. I have many fond memories of times with Bonnie and David at their home on North Street. He and Bonnie are reunited now. May his family feel the presence of the LORD's love, peace and comfort.

“ Such a great loss to his family. Condolences to all. He was a favorite first cousin to my Dad Donald Johnson . Dave and I shared genealogy interests and we kept in touch each year. Such a gentle loving soul and so kind. His mom was my favorite great aunt and I cherish my visits to her in LeRoy. Dad wrote to her during WWII and she saved all his letters and gave them to us. He would mention all his cousins in those letters and inquire about their progress in school and sports. I'm sure he and my parents are enjoying their reunion with all the ones who went before them. Rest in peace Dave. Kathy Johnson Lewin
