“ *I was so sorry to read about the passing of your dear family member. I wanted to share with you two Scriptures that helped me with the passing of my own parents.
Revelation 21:3,4 is God's future promise of living on a paradise earth free from all pain,sickness and even death will be gone. Acts 24:15 assures us that there is going to be a resurrection of our love ones! Imagine a time when we will be reunited with them again on a paradise earth!
May God comfort and help you in these difficult times.
Sincerely,
Jaki Schaefer

“ *Please accept my condolences for the loss of your loved one.
The Bible can give comfort, as it reveals that it is God's purpose to restore the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. Jesus said: "The hour is coming in which all those in the memorial tombs will hear his voice and come out."— John 5:28, 29; Revelation 21:1-4*

“ Please accept my condolences for the loss of your loved one. It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. The Bible can give comfort, as it reveals that it is God’s purpose to restore the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. Jesus said: “The hour is coming in which all those in the memorial tombs will hear his voice and come out.”—
John 5:28, 29; Revelation 21:1-4
