“ *Debbie was a dear friend and fellow background actor on TV show Nashville and we worked together at Nashville conventions. She often joked that Walt was her husband but I was her TV husband as we did many scenes together and she always called for a “group shot” whenever we were working. Rest in peace dear friend next to your beloved Walt. From Pete and Lourdes Garrido*

“ I have a very heavy heart now. Debbie was the sister I never had in our high school days 1973. I took her to school four years in a row everyday. We had so many memories. I worked with Walt at ups for 12 years. We had plenty of dinners together. Debbie touched alot of people after high school. She is watching all of us from heaven . Debbie you will be sadly missed. You were loved so much and a bestie when growing up at FBC Madison. Loved riding bikes together and getting saved the same day at VBS.

Rest, dear from your labors with your love, our Savior. Until we meet again. I love you. Mary Jane
