

Denise Renee Doyal

November 29, 1960 - February 2, 2026

Denise Renee Doyal, age 65, passed away February 2, 2026. My mom was an amazing woman. She was courageous and strong. She was fearless, and first of all she loved God and she loved her family. She loved my brother and me to death. She loved horses and she loved when we had our farm. She loved her grandchildren, and I know she's gonna love her great grandbaby that's on the way even though she's not with us. Preceded in death by her father, Robert Irwin; her mother, Lora Mae Redinius; her sister, Shirley Dockery; her brothers Ricky Dean Irwin and Rex Irwin; her son Aaron Robert Davis; and her husband, Christopher Doyal. She is survived by her daughter and son-in-law, Rick and Sarah Walker; her grandson and his wife, Caycee and Emma Williams; her daughter-in-law, Christina Davis; her grandchildren, Christopher Davis, Emily Davis, and Kaitlyn Davis; her brother, Mike Irwin; her niece, Rebecca Horn and her husband, Gregory Horn; several nieces, nephews and cousins.

“ Hard to think you're gone from this world. I know you're in a better place. No more sorrow, hurt or just trying to make it in this place. I will always cherish having you in my life, family. You were a shining light full of love, hope and care. It's going to be hard not having you around especially during family events, football games and just life itself. But always know you will be there in my heart, soul and thoughts. I'll miss when you would come over to the house and say "Ricky fix me a drink", or give me a hard time about my football team. You opened your home, family and heart to me and I will always cherish having you in my life. At first you were my mother in law but as time passed you became my second mom. So know I will miss you and love you mom. Now go rest high on that mountain, and know I got this down here. Love you mom!
