“ *Mary Ann and Family*

*So sorry for your loss So very glad that I had the chance to come there and spend time with Foster and you before he left us. Just wanted to share a few memories I have of him. I will always remember coming there to visit and always staying with you and Mary Ann and playing cards, visiting, you taking us around and showing us my mothers Gwen (Dolie) and your roots where you grew up, school all of the good stuff. You never had a bad word to say about anyone. Always kind, genrous, caring, loving you I will miss all of are weekly talks we had and you always answering the phone "Hello Baby what's up" You remind me so much of my mother a great listener always there when needed I have learned so much from you thank you for all you gave but most of all, all of your LOVE!*

“ Thank you Uncle Dewey for making this little ugly duckling feel so special and so loved. I can still hear my shoes tapping on the floor of Union Station when we picked you up when you came home on leave, standing up next to you in the car when we went to get me a "shocolate" milkshake. Oh my...I loved you so.
