“ *I lost my sister, best friend, traveling companion and confidant. Although I was 2 years 3 days older than her she always called me Baby throughout my life. It was embarrassing sometimes especially in High School and she would hollered out to me in the hallways or if we were shopping she would call me Baby. She was the dearest sister anyone could have and I loved her very much. After I married and moved away we would always stay in touch and talk on the phone and visited one another throughout the years that followed. We traveled the world over together from Australia, New Zealand, Siberia, Russia, cruised the Scandinavia countries and the Caribbean. We took rode trips and managed to visit all 50 states. Oh my goodness she going to leave a big void in my life. Rest in Peace dear sister, so thankful you didn't have to suffer long. Peggy or otherwise "Baby"*

“ The world has lost one of the sweetest and most kind person I have ever know. My prayers go out to the Barnett and Owens family as the world has lost a golden treasure and most of all she was your treasure. She was a treasure to all of us, her friends. I met her through our friends Glenda Snow and what a blessing. We took trips together, ate together, laughed together, and loved being together. Through the years one thing was always constant in her life, her love for her husband, Jerry and her wonderful children, grandchildren and great-grand children and the love for her sisters and brothers. She was an angel here on earth and I know she is soaring with the angels now. May God comfort each of you and know that we are mourning with you in the loss of this wonderful woman.
