“ One of my greatest earthly blessings was when the Forewright family crossed my path. An even greater blessing was to have taught Carol and Jerry, thus spending time with Dottie. Dottie was a fabulous 'chick'. I am sorry for your loss. I love you, Ms. Emily

“ Aunt Dottie was someone who wasn't afraid to ask me the tough questions about my life. I always enjoyed my conversations with her when she came to visit my mother (Annita). I will miss not being able to answer her questions in person, I will have to do it in spirit. I will miss you Aunt Dottie.

“ Our hearts are sad today remembering "OUR DOTTIE". She holds such a special place in our hearts. That place will be filled with good memories in which she demonstrated love and concern for others. She has exchanged her life on earth to live forever with her LORD AND SAVIOR JESUS CHRIST. Dottie will be missed greatly.

“ Dottie was a very special lady, our friend and our neighbor. Less than six weeks ago when she learned of a death in our immediate family, she knocked on our door in tears and with the first of many hugs. She'd see us in the yard and come out saying, "Can I give you a hug? I know you need one." Bless her for it, because it helped more than she knew, as did the prayers she was offering up for us, and the times she just sat with us. You have been truly blessed to have had Dottie in your family and you have our most sincere sympathy. But we were also blessed to be able to call her our friend. We're going to miss her terribly.

Charles and I grieve with you for the loss of a really good, kind and generous and funny lady! We loved her even though we had gotten separated over the years. We have lots of fond memories mostly when you kids were so very tiny! Dottie will be missed!

“ It has been really nice to have Aunt Dottie come and visit more often recently, and we really enjoyed having her celebrate Christmas with our family her in Richmond Hill. She will be missed by all of our family
I found this nice quote, and it seems fitting:
"It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again"

“ Dottie was my best friend. She meant more to me than I can express. I will miss her tremendously. When any of the family came to town she made sure we all got together and kept in touch. She was always the first to open her home for a big meal to keep us all together. She loved her children and grandchildren and all her siblings. I will always love and miss her but she is with Jesus now and that is a much better place.

“ One of my favorite memories of Aunt Dottie was during my first trip to Tennessee. We were going to have BBQ & being Canadian, I thought that meant food cooked on a grill. Needless to say it wasn't. She taught me the proper way to eat pulled pork & it's been one of my favorite foods ever since.

I'm going to miss all the laughs, but will forever cherish the memories. You will always have a special place in my heart.
