“ I am still numb from the news about sweet Donna's passing. She was a dear friend to me in so many ways. She was always there to offer a listening ear to any and everything I was going through whether it was pleasant or not. I was a very lucky woman to have her as a friend and sister in Christ. My heart goes out to her family during this very difficult time in their life. You will be in my constant thoughts and prayers.
Love you all! Charlene Shelton

“ *I am very grateful that I had the pleasure to meet sweet Donna, several years ago. We both worked together as youth counselors for the Metro Police Department. Whenever we got together, we had some great times. We always had good "quality" time together, and I will always have special memories of Donna. My daughter, Mary, knew her also, and she has said, that Donna was such a kind and sweet person.*

“ I will never forget my sweet friend, Donna Herrod. She called me about two weeks before she transitioned to check on me and to ask if I was ok. That was the kind of person Donna was. She was one of the most kind hearted people that I know.

Before her last two grandchildren were born, we would get together to celebrate our birthdays. Each of us would chose our favorite restaurant to celebrate our special day over a wonderful meal. We would talk and laugh so much. We never ran out of topics to talk about. We would talk about everything from her children, grandchildren, my sisters, my grandnieces to Ballroom dancing...and of course comment on how delicious our meals were. In addition to our birthday dinners, I will miss us going to a few hockey games and just our phone chats. I miss you already my friend, but I'm happy that you're not in pain anymore and I know you are resting in the arms of God. Rest well, my friend. I love you.

“ It was my pleasure to work with Donna when she was a youth counselor at the Youth Services Division of the Metro Police Department. She had a sincere desire to help children who were first offenders. Donna became a friend to all of us who worked with her. She was such a pleasure to know. My heart-felt condolences go out to Tom, her mother Kitty, and family.

“ It is with the greatest of sincerity that I extend my most heartfelt condolences to the Herrod/Williams Families. Though I never had the favor of meeting & knowing Mrs. Donna, I have had the pleasure of meeting & knowing her Awesome husband Tom via the State.

Tom & family, please know that I pray for God's divine peace, strength, & understanding on your behalf right now, and that your tears will sooner than later be wiped away with all the happy memories this dear lady left behind. Prayers & Blessings to you all.
