“ *My thoughts and prayers are with your family in this time of mourning and grief. I did not know Doris but was heartbroken as a neighbor who tries to know as many in my community as possible. May you find peace and strength in God and his love. We buried my father in law Gary on December. 4th of this year so we are grieving along with you. If any of Mrs. Braithwaite family needs someone to talk to and someone to grieve with my phone is always on and you can always knock on the front door. God Almighty has an eternal plan for us all. God Almighty be with you and hold you in his infinite wisdom and love*
