“ *Dear Laura and family,  
David and I have just moved back to Nashville after 47 years of ministry in other locations. I was so sorry to see that your dear mother had passed away.  
We have precious memories of your mother and father at Immanuel growing up. Your parents had the most amazing wedding party for us. It was a luau.  
Your parents were dear friends of my mother, Margaret Sisk.  
Please know of our thoughts and prayers. What a wonderful legacy you have of the epitome of a gracious Southern lady.  
With deepest sympathy,  
Mary Ann Sisk Drumel*

“ Dorothea will be remembered with great sweetness and respect by the Verble Family. She was always a blessing to us as we served together with her for many, many years at Wright Industries. Martha and I always quietly referred to her as *The Queen Mother*. She was one beautiful, elegant Lady. We will miss her greatly, but her memories will remain with us as we remember with fondness both Dorothea and Fred D.

*May GOD bless Laura Sue and Bailey and all the Robinson Family as they experience this time of sadness.*
