“ *Although Doris left us some days ago, I still cannot wrap my head around the thought of the world without him. His light hearted sense of humor made me laugh so often. I will always smile when I think of him. His love and comittment to his family always did cause my heart to melt. It's been an honor to have had him part of my life and to be part of my family. I know he was a perfect match for my Aunt Faye. I pray she can move on in the world with all good memories of him, her husband. God Bless you Doris on your next journey. May we all find strength to move on without you.*
