“ *Our thoughts go out to the entire Sadler family. I only met Earl once, at Pocono in the late 90s, but even with a wrecked car after qualifying, he was in high spirits and seemed like a great person who helped open doors for many in motorsports.*

“ *Sorry to see a man pass that gave so many drivers opportunities, along with his son, in racing. I first heard the name back in the early 1980's at the old fairgrounds. A good man. I'm sure he will be missed.*
