“ *Dear Earle, I only just heard today of your passing. To say that I am truly saddened is an understatement. Knowing you will never see this, I write it only for myself. To be the only one who signed your guestbook is perplexing as you were such a joy to know. I truly enjoyed our time together, everyday, while you were being treated here at SHMC. I pray you are not only at peace but also giving every angel up there a run for their gold on the pool table. Please comfort Mary in spirit as I know she has to be missing you terribly. God bless you and keep you.*
