“ Growing up next to the Yarborough family was one of the best parts of where we lived. Mrs. Yarborough was like a 2nd mom. Inviting me on trips with her and Holly to Centrifuge, or to Atlanta for conferences, she was always one of the coolest moms around, I have so many very special memories of her that I will always treasure. Her beauty was more than skin deep. She had the purest heart and soul of anyone I know. Sending all my love and hugs to Larry, Larry & Holly. I love you all so much.

“ *Hi Larry, it's Joe Mathews, formerly of Westhaven. I can't imagine your loss. I am sure its comforting to know she is with the Lord, but I am sure it sucks to be left behind. I find when I am clear something is my loss but someone else's gain, grief is easier to deal with. You have broad shoulders. God bless. Sorry for your loss, but a sincere congratulations to Eleanor.*
