“ Ms. Collins was the sweetest person to walk the face of this earth. She took an interest in every person's life that she encountered and remembered all of her children's friends names. It was a joy to stop by and visit with her every so often after I moved out of Nashville. God speed lady! Thank you for having a safe place for all us kids to play.

She has always been full of sound advice and positive support for anyone who needed her honesty and compassion and now she's with Jesus and those who have gone before her.
