“ *I'm deeply saddened by the loss of my life long friend, & find it hard to come up with comforting words for the family. We all shared a special bond from our childhood days that have remained through the years. Some full of laughter, many full of tears. Betty & I would talk or send cards over the years and I got the chance to speak with Yvette several times when I'd call to chat. She had such a sweet, polite, & child like voice & I told Betty several times how much I enjoyed speaking with her. My heart goes out to each of you. I know you will miss your mother and precious sister. I just know in my heart they are together now, as they've always been, but now in the presence of Jesus. This scripture is on my desk & speaks to me now. "Have I not commanded you? Be strong & courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go." Josha 1:9 - I love you Betty, my friend and will miss you. We will see each other again. Claire*

“ I am so very sorry for your loss. Betty's children and grandchildren have my deepest sympathy and all who mourn her loss. As a teenager, I knew Betty. Betty and the rest of us had many laughs together over the years. Betty was a good kind sweet person. I am proud to have known Betty. All of you will be in my prayers. God Bless you.

“ Although Betty (Hambone) departed much too soon, she joined her 'buddy' Yvette in paradise. I didn't get to see her much the last few years but had a long conversation lately and have great memories of our child and early adulthood. I pray for peace for her loved ones until they meet again.
