“ We are praying for the whole family at this time of homegoing for your mom. I know she touched many lives and will be missed.

“ Hello Family,

I want you to know that my mother and my family will sorely miss "Mrs. Lib." My mother, Mrs. Escell Frye, often dined with her at Richland. They had fun conversations while they ate and encouraged one another. When my daughters (ages 31 and 38) learned of her homegoing, we all cried. However, our memories will forever be happy ones when we think of Mrs. Elizabeth Kinkel.

May God forever cherish her!

*Prayerfully,
Barbara F. Gray & Daughters*
