“ *Oh my lord. So very sorry, Brandi and JD. My heart aches for you both.*

I loved it when Ellen lived with you guys and she'd get up each morning and put biscuits out for the birds - only to find out my dog, Chuk, was going over every single morning & eating them. Then Ms Ellen started feeding Chuk dog treats til I had to cut her off because Chuk started going to your house 5-6 times a day and each time, and Ellen would give her a treat and she got too fat!

Loved just sitting around with her and talking about John Daniel and JD, there was never a boy that was so loved as you. You were her Sun and her moon and she truly lived for you.
