“ Well Sis, you went first and left us behind. It is a sad day here for all of us, but we will meet again when it is our turn in Heaven. You was more than a sister, you was a friend to all, giving us unconditional love, only asking for our love in return. When you look down on us from Heaven, give us guidance from afar, so we can be with you some day with all our love.

“ On behalf of my mom, Mary Ellen Brown Inman, sister of Polly, I want to express our deepest sadness at the loss of this wonderful sister and aunt. My mom wants James and all the kids to know how much she loves you all and she is praying for you, as she has for your mom all these years. My mom is so thankful that she was blessed to have these last few weeks to "catch up with her baby sister" and as Aunt Polly told her the other day, they will talk all they want to when they meet in Heaven. Please let us know if we can do anything for any of you. With all our love, Mary Inman and Debbie Campbell
