“ Its says share a memory, well I could write a book on all the memories me and my brother had. He always knew just what to say to make you laugh and smile. That smile I will never forget. Since birth we rode together and that will never change. I LOVE YOU BROTHER FROM ANOTHER MOTHER. Until we see each other again.

“ *My first memory of Eric was when I provided child care for him. He must have been four or five years old. He was a sweet bright eyed little guy. As years passed he was always a big part of the family. He was at every gathering wether it be a birthday party or family cookout! My kids and Eric grew up together! He had the most wonderful smile! Anytime we seen him he greeted us with that smile! He is loved much here and will be forever in our hearts!*
