“ *We were so touched & hurt when we found out about sweet Erika's passing. She introduced the two of us 30 years ago at Inglewood bowl and we've been married for 25 years!! Thank you Erika for not only being a wonderful friend but a fantastic match maker!! We will always love you....*

“ *I was in shock this morning to learn of Mrs. Erika's passing. She was one of the sweetest women I ever met. I first met her at West Bowl several years ago. The Nashville bowling community has lost a great woman and no one can fill her shoes. They broke the mold when God made Mrs. Erika. Bowling at Donelson Bowl won't be the same without her but I pray her family will continue the business and help it to grow. My prayers go out to her family. May you keep her legacy alive and follow in her footsteps. God bless you all.*

“ Erika was just a great lady. I was a junior bowler at Inglewood, and that was a lot of years ago. In recent years I intentionally bowled leagues at Donelson just because she asked me to. Erika was tireless in working to build up bowling at Donelson bowl and in taking care of all of us "junior" bowlers who became adult bowlers. To her family, my deepest sympathy. Erika will be deeply missed.

“ I am so heartbroken. I was so excited to get to share my birthday with Miss Erika on Friday only to arrive for my party to hear of her passing. I was having my party at Donelson Bowl because of Miss Erika. It's already not the same there without you. I feel so blessed that I got to know you. I miss you but I'm glad that foot can't bother you anymore! Glad I got to see you last Sunday though and got a hug! You are truly a treasure! Your family is in my thoughts.
