“ Buddy's brother Lawrence C. Biggs "Buster" was my brother in law. I have been trying to find Buddy since Aunt Myrtle passed away I could not find him. He was a great person and in his twenties he practically lived at my mother Mrs. Mason, known as Big Mamma. His Sister in law Anne was my sister. I would very much like for Dottie or one of her children to get in touch with me. Larry Biggs now 64 is very ill with COPD disease a serious lung problem on Chem and Blood every two weeks. Leslie "Butch" Biggs 60 works at Krogers has two children He lives on Baker Road in Goodlettsville. Larry also has two sons and lives on Jackson Road in Whites Creek, Tenn. Please have someone call me and bring me up to date on Buddy. Sounds like he was not in good health. I have some photos which I feel sure some of the family might like to have of Ruth, Patty, Scotter, Dottie and Mrs. Biggs had in the 50's Linda G. Mason, P. O. “ I played baseball many years at Shelby Park. My dad was President and we practically lived there most weekends. Buddy is definitely one of the people I remember fondly when I think back on memories from my childhood. My sympathy goes out to his family and friends. May he rest in peace.

“ Uncle Buddy, I will always remember the good times we had at Granny's. So many memories of going down there. You were always there. Life has changed so much over the last few years, and I'm sure gonna miss you, but I know you're not suffering anymore. You will forever live in my heart. May you RIP. Love & miss you.
