“ *I have many fond memories as a child spending time with my Uncle Fay and Aunt Juanita and my cousins during the summer. Two things we did which were new experiences for me were going roller skating and going to the drive-in movies in a convertible. I never learned how to roller skate after trying a number of times later in life. My cousin's Aunt Betty (Juanita's sister) drove us to the movies in her sharp beautiful convertible. Also, Aunt Juanita washed and rolled my hair and made it look really pretty before going out on the town. These were all fun times for a little country girl like me. Also, the best, was I was named after my Uncle Fay who was always kind and loving. He will always have a very special place in my heart. Love you Uncle Fay.*
