“ Dear Howard, Valerie, Brenda, and Dawn:

*We are shocked and very saddened to hear of your mom's sudden death. In each of you she left good loving people. She lived her life with honor and she never forgot where she came from or those who where there along the way. She will be missed by her Yankee cousins.*

*My mother and dad were very sad to hear the news and regret that they are not up to making a long distance trip. Your mother was so much more than a niece to them; she was more a daughter and a friend. Your mom was very good to my parents and made trips here just to see them. We enjoyed some very good times in her company.*

*Unfortunately we are heading out of the town on a long awaited vacation and cannot attend the funeral. We will be with you in our thoughts and prayers.*

*With love to each of you,*

*Tom and Holly*
