“ Hello, the reason why I'm writing this message is because we are talking to people about what the Bible says, and telling them that there is a hope for people that have pasted away. The Bible says in John 5:28,29

"Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out."

As you can see in this text the people in the tombs are in gods memory. If you want to know more you could visit our website jw.org
