“ His smile isn't gone,
It will live in our hearts forever,
It can still be seen in
photographs and dreams,
but today my dear friend Freddy
Is the day you went to heaven
And this is the only promise
I can make to you;
You will be missed but never forgotten
Because you will always
be our truest of true,
a rare gem and something wonderful
kind of friend
I know you left your smiling spirit
Placed gently deep within each
and all our hearts to forever
keep us up during our troubled times...
Your hugs, smile and your heart of pure gold
Is what I will miss the most
and yet somehow has left me
forever a better person
both inside and out.
I'm glad we had you even just for a short while I know you made us
promise not to cry but this promise for now I can not keep I hope
your resting high on that mountain beyond those pearly gates I
know God has big plans for you so this will be our comfort but just
for a little while we will hurt not having you
May you Rest in Peace...
