“ *The death of a loved one is the most devastating experiences a family can face. At times, the loss may seem unbearable. Please know that there are those who care about you and your family during this difficult time and more importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. We pray that Jehovah the God of all comfort is with the family during this difficult time of grief. Our prayers are with you and your family.*

“ Aunt Frieda, as no one in the family told any Woodroof about your passing, we are just finding out the news today. I know you struggled with a lot of pain and I hope that you can now rest in peace without pain. You definitely deserved more than a graveside service and empty obituary because you were someone to a lot of people.

“ You were a sweetheart my friend Frieda AKA Dalsy. We were through a lot together this last 3 years my dear, and you were courageous and steadfast through it all. A real trooper. You fought hard to live, but the body was just so tired. You decided YOU had done enough fighting. I am glad we were with you until the end my friend.

I love you
